Reluctance of Private Sector to Enter into Energy Sector

3891. SHRI JOY NADUKKARA: Will the PRIME MINISTER be pleased to state:

(a) whether private sector is reluctant to enter into energy sector because of the lack of fair and transparent procedures for the entry of private producers in this sector, as revealed by the economic survey 1995-96;

(b) if so, whether Government intend to make enquiry to find out the reasons which prevent entry of the private sector into this area; and

(c) what steps Government intend to take to change the situation?

THE MINISTER OF STATE IN THE MINISTRY OF POWER AND MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (DR. S. VENU-GOPALACHARI): (a) The response to the private Power policy so far has been highly encouraging. To bring in the element of transparency and competitiveness, Government have made competitive bidding mandatory after 18.2.1995, in the matter of award of power projects to the promoters for development.
